

RoHS 3 Certificate of Compliance

LEDdynamics, Inc. hereby declares and certifies that its products are manufactured to be RoHS compliant according to the definitions and restrictions given by the European Parliament (Directive 2011/65/EU (RoHS2), and its amendment, Directive 2015/863/EU (RoHS3)) on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

The directive provides guidelines to restrict the use of hazardous substances in the material composition of the components and products we supply and produce.

This applies to all products manufactured by LEDdynamics, Inc. unless specifically authorized and requested by the customer in writing.

None of the below materials or elements are intentionally added to any of the products manufactured by LEDdynamics. Any trace impurities of these substances contained in devices are guaranteed to be below the RoHS specified threshold levels:

Cr⁺⁶, Hg, Pb, PBB's, PBDE's < 1000ppm
Cd < 100ppm
Phthalates: DEHP, BBP, DBP & DIBP < 1000ppm

All information provided in the Certificate of Compliance is accurate, to the best of our knowledge, as of the date this certification was issued.

Not valid unless signed:

William R. McGrath,
Chief Technical Officer
